

JHS Textbook Adoption Public Feedback

Math Textbook Adoption Public Review & Feedback Survey

Jackson High School Math Department is seeking parent and community input for the adoption of the new 9-12 math textbooks. Community members are invited to examine the proposed textbooks and provide feedback.

The textbook review process will be conducted using a hybrid model which includes an online option to preview the materials as well as a face to face option. You will have access to each publisher's digital preview using the links below. You will also have the opportunity to come into Jackson High School and review the proposed textbooks and provide feedback.
