

Spring Sports Wrap-Up - Henderson Middle School

Tiger Baseball Team Finishes with a 7-10 Record

The Henderson Middle School Tigers baseball team finished the year with a losing record but there can be many positives taken away from the season. For starters, the team improved by 7 the number of wins they had the last 2 seasons. They were able to complete the season which was cut short last year due to the pandemic. The team has a good nucleus of players returning for next season.

HMS Boys Soccer

The boys soccer team finished the season 6-7-1 under first year head coach (Coach Rigsby) The Tigers finished just out of 4th place to advance to the Region Tournament. The boys final game was against Monroe County where they were down 2-0 for the majority of the ballgame and found a way to claw back into it in the final 10 minutes. The Tigers finished with a tie vs. Monroe County that felt more like a win. The season ended with a tie as the Tigers finished in 5th place. Thank you Coach Rigsby for leading our boys soccer team, we appreciate your hard work.

HMS Tigers Track and Field hosted the Region Championship at the Butts County Athletic Complex

The 2021 track season ended on April 3rd at the MGMSAL championships held at the Butts County Athletic Complex. The boys and girls' teams competed hard and

The girls soccer team finished the season 13-1-1 playing in the championship game vs. Ace Charter. The Lady Tigers entered the Region Tournament undefeated and unscored on for the year. The first round was a match up against Upson Lee and the Tigers continued their dominance with a win by a score of 2-0. This win led the Tigers to the Region Championship game vs. Ace Charter and what a match up it was. The Tigers defeated the Ace Charter middle school earlier in the year and the last match the two teams faced each other ended in a tie. The championship game lived up to the hype ending in a tie in regulation but being the championship game it was sent to overtime with Penalty Kicks to decide the winner. Unfortunately, the first goal the Tigers would give up this season would cost them the championship. Congratulations on a great season HMS soccer players and coaches. We are very proud of you. Go Tigers!

did a great job. Championship individual performances included:

Majestee Seabrooks finished 3rd in the 200m dash

The girls 4x100m relay team finished 4th

Camari Edwards won the boy's shot put and finished 2nd in the discus

Seth Williams finished third in the 400m the boys 4x00m relay team finished 2nd

The Henderson Middle School Track team is led by Coach Brannock and Coach Smith.

HMS Volleyball Teams Advance to Playoffs in the Henry County Volleyball League

1st Round of the Playoffs for the HMS 8th Grade team was against Locust Grove and our Tigers won. The second round of the playoffs was held in Hampton and our girls were defeated in 3 sets. It was really a great season with both of our squads advancing to the final four in this league said, Coach Hall. Congratulations coach and Thank You for all you do for HMS Athletics.

8th Grade Team

The HMS Volleyball Team is led by Coach Hall and Coach Worley. HMS has a 7th grade team that finished the regular season at 5-4 and a 8th grade team that finished the season at 7-4. Both teams competed in the Henry County Volleyball league.

1st Round of the Playoffs for the HMS 7th Grade team was against Union Grove and the Lady Tigers won. The second round of the playoffs was held at Ola and our girls were defeated in 3 sets. The girls are very talented and look forward to making another run next year as 8th Graders. Thank You Coach Worley for you hard work.

7th Grade Team

HMS Football

Spring Practice begins on May 10th at HMS. The football team will practice for one week and this will lead them into summer conditioning. Coach Brannock is having a parent informational meeting on May 20th at 5:30 in the HMS cafeteria for students and parents interested in playing football.

Coming Soon:

Information on Softball: As soon as the information about tryouts is available we will post on Website and put in Dr. Watkins newsletter.

Coming Soon:

Information on Cross Country: As soon as information about summer workouts is available we will post on Website and put in Dr. Watkins newsletter.
