

**Jackson High School**  
**School-Parent Compact**  
**2021-2022**  
**Revised: June 1, 2021**

Dear Family,

Jackson High School, students participating in the Title I, Part A program, and their families, agree that this compact outlines how the entire school staff, parents, and the students will share the responsibility for improved student academic achievement as well as describes how school and parents will build and develop a partnership that will help children achieve the State's high standards.

The parents, students, and staff of Jackson High School partnered together to develop this school-parent compact for achievement. Teachers would like to see parent and family engagement funds be used to fund technology resources at the school to support parent and family engagement and receiving more information concerning curriculum and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held during the Fall of each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the annual Title I parent survey that is also used as a tool to collect parent feedback regarding the current Title I programs and policies.

To understand how working together can benefit your child, it is first important to understand our district's and school's goals for student academic achievement.

**Butts County Board of Education Goals:**

- The percentage of students scoring at Developing Learner or above on the Georgia Milestone (GMAS) English Language Arts End of Grade Assessment and benchmark assessments will increase by 3 percentage points.
- The percentage of students scoring at Developing Learner or above on the Georgia Milestone (GMAS) Math End of Grade Assessment and benchmark assessments will increase by 3 percentage points.

**Jackson High School Goals: Excellence in Student Achievement**

- The percentage of students scoring at Developing Learner or above on the Georgia Milestone (GMAS) English Language Arts End of Course Assessment and benchmark assessments will increase by 3 percentage points.
- The percentage of students scoring at Developing Learner or above on the Georgia Milestone (GMAS) Math End of Course Assessment and benchmark assessments will

increase by 3 percentage points.

To help your child meet the district and school goals, the school, you, and your child will work together to:

***School Responsibilities:***
